Season Ticket Application forms are available from all 3 Courses. In general, Golf Season Tickets are annual and should be paid at time of purchase or renewal. However, Staff of K A Leisure and North Ayrshire Council may opt to spread the cost of their season ticket purchase by paying directly through payroll either weekly or monthly (**NAC Mandate**).

All individuals opting to spread the cost of their Golf Season Ticket are required to complete an "Employee/Payment Mandate" available at each Course. All Employee/Payment mandates should then be forwarded to Head Office for verification. Once verified the Course staff will be notified to issue the season ticket and the customer will be notified as to when payments will start and invited to uplift his/her season ticket on their next visit to the Course.
