

NORTH AYRSHIRE COMMUNITY SPORT HUB PROGRAMME

INTRODUCTION

As part of KA Leisure’s commitment to developing sport and physical activity throughout North Ayrshire, is the delivery of sportscotland’s Community Sport Hub Programme.

The initiative is aimed at supporting local sports clubs to help increase the number of people participating in sport in our local communities. Community Sport Hubs can be based in local places such as club pavilions; sport centres, community centres and/or schools and hope to bring local people together to provide a home for local clubs and sport organisations. They will also provide information, support, and advice on a wide range of sports and physical activities to make it easier for local people to get involved and engaged in more active and healthier lifestyles.

Each community sport hub is unique and develops its own vision and values in a clear and simple plan. The common thread that binds all hubs together is that they work to be sustainable, and they follow sportscotland’s Three Founding Pillars.

ALL COMMUNITY SPORT HUBS ARE FOUNDED ON THESE THREE PILLARS
