Like many Leisure Trusts throughout the UK, KA Leisure has faced significant cost increases in operating our facilities over the past year. Recognising the widespread cost of living challenges, we remain committed to providing high-quality, affordable health and wellness experiences. Despite these pressures, including utility costs, inflation, and salary increments, our dedication to the community's wellbeing is unwavering.

To sustain our services for North Ayrshire, we must adjust some of our fees. The new pricing will take effect from 1st April 2025, ensuring that we can continue to make a positive impact on community health and wellbeing.

Details of the updated pricing are available on our website www.kaleisure.com
